

Summer Reading Challenge

Dear Rising Third Graders,

To participate in the summer reading challenge, you will need to complete 1500 minutes of reading over the summer. Try to read at least 20 minutes each day. Every time you read, write the name of the book on your reading log and then color a square on the minute tracker for every ten minutes of reading you complete. Make sure your name is on the bottom of the reading log.

Bring your completed log and minute tracker to any of the "Back to School" events to receive a special treat the first week of school.

Happy Reading!
